

TRANSITION
MATTERS

Monmouth Cares Transition Fair

The Family Support Center of NJ in collaboration with Monmouth Cares invites you to come and meet with local and statewide agencies that provide services and supports to individuals during their transition years.

This transition fair is an opportunity for families and community stakeholders to meet with agencies who provide mental health and intellectual/developmental disability services within Monmouth County and the surrounding areas.

Supportive Housing Association's Family Housing Guide:

**The Journey to Community Housing with Supports; A Roadmap for
Individuals and Their Families.**

6:30-7:45 PM

The presentation will provide an overview of the housing guide including housing models of interest, an overview of state policy and regulations governing housing and supports, and resource information. Participants will receive the newly published guide and will be given an introductory session on how to use the information in planning for independent housing with supports for people living with intellectual and developmental disabilities.

*** Pre-registration is strongly suggested for this event.**

To register go to TransitionMattersNJ.org or call 1-800-372-6510.
